### WE HAVE A FAMILY!

We have been advised that we have a family identified for St. Bernard's. They are a young family with the husband, wife, twin 4 year old daughters and the wife's sister. We do not know when they will arrive at this time, so we continue to be actively preparing. We will be searching for accommodations.

**Anyone with household items to donate can continue to call the Social Justice phone line at the church 204-4882. Also anyone who is willing to volunteer to help set up the apartment when the time comes, or volunteer to assist with drives to appointments can leave a message on that phone line as well.**

### IT'S OK TO SAY NO - SAY NO TO PANHANDLING

By supporting panhandling, you may be contributing to the problem, whatever it may be...Recent stats indicate more than 95% of people panhandle to feed their addictions. Be part of the solution by supporting the agencies that provide services to those in need, community contributions go a lot further towards employment, housing and social services that go directly towards supporting those in need.

**The Volunteer Centre's Respite Care Services for Children with Special Needs program offers local families hours of relief care and an opportunity for their child to make new friends.** We need caring people to help support these families a few hours each month. We are presently looking for volunteers in the following areas: Dieppe, Moncton, Riverview, Hillsborough, Dorchester, Shediac and Kent County. For more information please contact: Edie Savoie Shituku, Director of Respite Care

Services, Volunteer Centre of Southeastern NB Inc. 22 Church Street, Suite T290, Moncton, NB, E1E 0P7 (506)869-6774 email: [respite@nb.aibn.com](mailto:respite@nb.aibn.com)

### Lions recycle for Sight - Changing Lives, One Pair at a Time:

Used eyeglasses are recycled, cleaned, sorted by prescription strength, then packaged and distributed to people in need in developing countries where they will have the greatest impact. A **Lions Recycle for Sight** box will be at the main entrance of the church for you to drop off unwanted eyeglasses.

**Hospice Greater Moncton is a registered charity established in 2004 seeking to: promote awareness about life-limiting illnesses and end-of-life issues, provide support services to those with a life-limiting illnesses, provide grief and bereavement support services and to raise financial support to establish a residential hospice in Moncton, NB. Their services are free and confidential.**

Their programs are available to anyone facing end of life issues. This can be you, a family member, or a friend. You can be referred by a health professional, or self- refer for your own care or that of a loved one. Hospice Moncton is proud to work in conjunction with the New Brunswick Hospice Palliative Care Association, the Extra-Mural program and family physicians.

**Community Palliative Care:** Hospice palliative care focuses on the dignity and comfort of the dying person rather than on the aspect of incurable disease. Volunteer visitors can significantly improve the quality of life for individuals. They pass screening and confidentiality requirements and receive detailed training to national standards of care. They are supportive, open and non-judgmental listeners. Our coordinator will visit and match you with a volunteer with shared interests. The volunteer will visit in your home, and provide social, emotional and practical support, such as: provide companionship, offer a compassionate listening ear, and share in meaningful activities. During weekly visits, this support may include drives to appointments or for an outing, reading, baking favorite foods, listening, talking, playing cards, music, and quiet support as death nears.

**Caregiver Care:** The Hospice volunteer plays a vital role in providing care to patients in their own homes when their caregivers require time away from home to attend to personal matters.

**Bereavement Care:** Our Coping with Grief groups provide a safe, supportive and healing environment for adults living with grief to explore their feelings of loss. Facilitated by a compassionate leader in a small group setting, you can speak or just listen. This free program may help you make sense of the feelings and changes you are experiencing following the death of a loved one. Discussion topics may include: Sharing of grief loss with pictures and stories, discussion on grief and the journey it takes us on, & what are our loved ones thoughts and wishes for us?

**Grief and spirituality:** The grief group helps you through the heavy process of grieving with people who get it.

**Become A Volunteer:** Volunteer at Hospice Greater Moncton and become one of the caring volunteers who are truly making a difference! It's fun, interesting and you get to work with some of the nicest people! You will go home each day knowing you have made a difference in someone's quality of life.
