**July 1<sup>st</sup> is celebrated as Canada's birthday.** Canadians should seek to be witnesses to Christ in Canada and the world, and to continue working to influence those in government to act from Christian principles and attitudes. Christians, realizing they do not have a lasting home here, should pray and work for justice and peace in Canada and throughout the world, so that all God's people may share in the goods of this earth. God's kingdom will come only when all people are ready to let Christ's teaching guide and rule their lives and actions.

### Senior Support Services

A wide range of support services are offered by the Red Cross throughout Canada to provide daily to help seniors stay in their homes longer by increasing independence and promoting health and safety. Canadian Red Cross in-home personal support services help individuals maintain their independence and dignity. Some of the services they offer are:

**Meals on Wheels:** When community members are unable to prepare their own food the Meals on Wheels program provides them with affordable, nutritious and delicious meals. The program allows clients to maintain a healthy diet as well as their independence.

**Specialized Equipment Program:** This program provides customized mobility aids to seniors residing in New Brunswick.

**Telephone Reassurance Program:** This program offers a unique two-tiered social inclusion and wellness check program to adults living in New Brunswick:

**Tier 1: Social Inclusion:** This program matches compassionate volunteers with socially or geographically isolated and vulnerable adults living in New Brunswick. Volunteers phone clients regularly to provide social interaction and support and promote community engagement.

**Tier 2: Wellness Checks:** This program provides an added level of support and security for adults throughout the province who may be of increased vulnerability due to isolation, illness, or lacking immediate social support networks. Coordinators from the Canadian Red Cross' 24-hour bilingual Client Service Centre phone to conduct a wellness check and ensure the client is remaining safe in their home. This program provides peace of mind to the client, their family and caregivers.
