**The Reconnect Street Intervention Program** provides short and long term assistance through outreach to youth and adults who are homeless or at risk of being homeless, in an effort to increase their knowledge about available resources.

The Reconnect Program comes under the umbrella of the YMCA, but is supported through many community partners, including the church communities. Monthly meetings take place between the Reconnect team and local churches to see what needs the team have responded to in the previous month, statistics about numbers served, and type of help requested. The team is very aware of accessible resources in the community to assist clients in times of emergency with a hope to move on with a more sustainable life for the future. Like the soup kitchens, the tragedy is that those needing this service have increased over the years.

Since Reconnect began, St. Bernard's has been a supporter in a variety of ways.

Reconnect keeps a small supply of food/personal items for those on the street. As you can imagine their shelves always needs replenishing. Below is a list of items that they are always in need of:

|                           |  |                                     |

| Evaporated milk           | Soap   | Pet food (cat/dog)                  |
| Kraft dinner              | Deodorant  | Hats/Scarves/Gloves                 |
| Canned meat               | Razors   | Gently used footwear/winter jackets |
| Pasta noodles/ sauce      | Tooth paste/brush                                | Food vouchers for grocery stores    |
| Canned ravioli/pastas     | Shampoo  | Cash donations                      |

| Coffee/Tea                | Sleeping bags/Tents                              |                                     |
| Powdered milk             | Facecloths / Towels                              |                                     |
| Granola bars              | Towels   |                                     |
