## COMMUNAL CELEBRATION OF THE SACRAMENT OF THE ANOINTING OF THE SICK

It is important that those who are sick and those around them understand the significance of the Sacrament of the Anointing of the Sick as a sacrament of healing. Who should celebrate this sacrament?

- Those who are elderly and whose frailty is becoming more pronounced**
- Those adults and children who are suffering from a major illness.** (Illness comes in many different forms - physical, mental, psychological, emotional, spiritual)
- Those who are facing or recovering from surgery or serious medical tests**
- Those suffering from a serious accident**
- Those who suffer from chronic illness such as arthritis or diabetes**
- Those who care for the sick, especially those who are closely bound in love to them.**

The English churches of the Moncton Diocese work together to offer this communal celebration two or three times a year. Join us on **Thursday, October 26 at 9:30 AM for mass and the Sacrament of the Anointing of the Sick to be held at St. Bernard's Church.** All parishioners within the three English pastoral units are invited and encouraged to participate in this celebration.
