Saint Bernard's

Strong roots, new growth ...

Campaign 2018 - Our Campaign Focus

Dear Parishioners:

Each week, we are privileged to gather at Saint Bernard's to experience God's love as we celebrate the Eucharist. Together, as a parish community, we celebrate Jesus Christ and the milestones in each other's lives through the sacraments we share.

Saint Bernard's is a gift that has been passed on to us by previous generations. Now is our opportunity to build on this gift. It is our responsibility and privilege to create our legacy and to pass on our Christian heritage to future generations. The parishioners created this vision and direction for this legacy.

Our vision states that "As a **vibrant faith community**, we will continue to create an **environment** that promotes a **sense of belonging** for **all generations** while reinforcing Saint Bernard's **history** and **architectural presence**"

St. Bernard's embraces and celebrates its multicultural parish community and models its social responsibility and social justice through its ministries. I continually witness so many of our parishioners demonstrating an on-going commitment in playing a strong role in Moncton's faith community.

The Pastoral Ministry Team and the Building Committee have spent countless hours over the past three years, working on the former rectory and parking lot project. This volunteer group has now added a telephone communications team who will be calling you to see if you received your Campaign 2018 information package and answer any questions you may have.

As your priest moderator, I ask that you pray for the success of our Capital Campaign and to also reflect on "What return to the Lord shall I make for His generosity to me?"

I encourage you to participate in this important fundraising campaign. Its success is dependent on the generosity of each one of our parishioners. Together in faith.

Father Allison S. Carroll - Priest Moderator - St. Bernard's Church

Building our future
