Low Gluten Hosts

Gluten intolerance has become more prevalent in recent years. Prompted by faithful Catholics wanting to receive Communion, we have ordered a supply of low gluten hosts (yields less than .01% gluten content per bread/wafer). We already have a few parishioners that have sourced their own supply & place them in their own personal pyx for consecration at mass. If you are diagnosed with gluten intolerance, you must purchase your personal pyx and low gluten hosts **are now available** at our Parish office during office hours.

World Communications Day - June 2, 2019:

Today Catholics are invited to reflect upon the media of social communication (films, radio, television, newspapers, audiovisuals) and how these influence our lives. The media can promote values that lead to a more fully human society. The Church's ministry is twofold. The media can be used to help promote the Gospel. At the same time, as receivers of the materials presented by the media, the faithful have a duty to support and promote worthwhile presentations on media and reject those which promote values contrary to spiritual growth.

Socks for ReConnect: Nothing feels like clean socks, with no holes. **Decent socks are a luxury to the homeless** and in cold and wet weather, creates a risk to health. St. Bernard's will have a 'sock drive'. A container will be placed at each church entrance for donations of socks for adults. All received will be passed on to ReConnect for the homeless & at risk individuals.
