However, the expenses to run our church remain constant and increase as necessary maintenance/repairs are completed.

Please give consideration to "making up" your missed contributions.

Thank you for your continued generosity!!! God Bless!

July 1st is celebrated as Canada's birthday. Canadians should seek to be witnesses to Christ in Canada and the world, and to continue working to influence those in government to act from Christian principles and attitudes. Christians, realizing they do not have a lasting home here, should pray and work for justice and peace in Canada and throughout the world, so that all God's people may share in the goods of this earth. God's kingdom will come only when all people are ready to let Christ's teaching guide and rule their lives and actions.

*Men: Are You Ready to Accept
the Challenge?*

Our communities need strong Catholic men to answer the call to lead with faith, protect our families, serve others and defend our values. For over 100 years, Knights of Columbus have done exactly that, standing up for the Church, serving the least among us, and strengthening our parishes and families. As a member, you join a worldwide community of nearly 2 million men, including 1,000's in NB, who stand together. The world needs more committed, unified Catholic men to answer the call. Will you answer? For more information contact: Grand Knight Paul LeBlanc 854-8147 Financial Secretary Gil Parent 850-1204 or Advocate Tony Baker 857-9668.

Karing Kitchen

The Karing Kitchen offers basic, nutritional meals to all who come, five days a week, 52 weeks a year. They depend on private donations of both cash and foodstuffs to keep their doors open. They would like to thank you for your generous support in the past. Without your help there can be no Karing Kitchen. They welcome your support.

IT'S OK TO SAY NO - SAY NO TO PANHANDLING

By supporting panhandling, you may be contributing to the problem, whatever it may be...Recent stats indicate more than 95% of people panhandle to feed their addictions. Be part of the solution by supporting the agencies that provide services to those in need, community contributions go a lot further towards employment, housing and social services that go directly towards supporting those in need.
