COMMUNAL CELEBRATION OF THE SACRAMENT OF THE ANOINTING OF THE SICK

It is important that those who are sick and those around them understand the significance of the Sacrament of the Anointing of the Sick as a sacrament of healing.

→Who should celebrate this sacrament?

- Those who are elderly and whose frailty is becoming more pronounced
- Those adults and children who are suffering from a major illness.
(Illness comes in many different forms - physical, mental, psychological, emotional, spiritual)
- Those who are facing or recovering from surgery or serious medical tests
- Those suffering from a serious accident
- Those who suffer from chronic illness such as arthritis or diabetes
- Those who care for the sick, especially those who are closely bound in love to them.

The English churches of the Moncton Diocese work together to offer this communal celebration two or three times a year. **Join us at Holy Family Church, Wednesday, October 30 at 7:00 PM for mass and the Sacrament of the Anointing of the Sick. All parishioners within the three English pastoral units are invited and encouraged to participate in this celebration.**

Needs of the Church in Canada - September 29, 2019

Every year, the Bishops of Canada make an appeal for financial assistance to support their work and the work of each diocese by means of the Collection for the Needs of the Church in Canada. This collection helps support the work of the Episcopal conference by providing each diocese the means to make its annual per capita contribution to the CCCB. Any amount exceeding this contribution is then put at the disposal of the diocese for their own pastoral needs. The CCCB is the national assembly of Catholic Bishops in Canada, including the Eastern Catholic Churches in Canada. Contributing to the collection is an action of collaboration with the Bishops in their ministry to teach, sanctify and govern.

First Saturday of the Month Mass will be celebrated at the St. Bernard Church Oct 5 at 9:30 AM. Confession before Mass. Doors open at 8:30. Rosary at 9:05. All are welcome.

Social Justice Corner
Your Social Justice and Community Life Committee

Our vision....

to help restore dignity of life for the poor and marginalized people.

Our mission

to respond to the needs of the poor, lonely, downtrodden, misunderstood and vulnerable in our Parish Community.

Our values

The following values guide our attitudes and actions:

Charity / Direct Service: We recognize that charity is extremely important because it meets the immediate needs of those who without help could go hungry, go homeless, be left alone and forgotten. In charity we give people fish and bread to eat.

Empowerment: We are committed to providing our services and expertise to help people help themselves. In actions helping to restore a person's sense of dignity, we help people learn to fish and bake bread.

Advocacy: We will seek out and respond to the underlying causes of why people are poor, suffering homeless, sick or alienated . We will endeavor to change the social structures that cause that suffering.

Education: We will create an awareness on issues that simply gives information on a social justice concern.
