Fifth Sunday of Easter (A)

Acts 6:1-7

1 Pt 2:4-9

Jn 14:1-12

What Is God Really Like?

That is a very profound question, asked by children and adults alike. Answers range from the image of an old man in a white robe with a beard; the all-seeing eye on the back of the dollar bill; "the big guy" up there. Such answers seem frivolous when we think about the dynamic force behind the Big Bang from which evolved everything in the billions of galaxies that we know exist. What is such a God really like?

FOR Reflection

- * How do you think of God?
- * Why do you suppose you think of God in that way?

The disciples were probably not thinking of astrophysics when they asked Jesus about God. Their questions flowed from Jesus' constant reference to God as Father. That title in itself tells us something about God. It tells us that God, like a father, is the source of Jesus' being and existence.

In today's Gospel, Jesus tells the disciples that he is about to return to his Father. He also assures them that they also will have a place with the Father. However, like us, they still are not sure what this Father is like. Jesus responds to their lack of understanding and suggests: "Look at me!" His life is lived for others. He is one who cares for those in need rather than walks past them, who forgives rather than condemns, who endures misunderstanding without retaliating, who tolerates the pettiness of others without being snide. Why is it so hard for us to realize that *this* is what God is really like?

Jesus said to him, "I am the way and the truth and the life. No one comes to the Father except through me."

*A Time To Reflect
& Be Grateful*

Living through COVID-19 it would be hard to believe there is not a purpose to be found in it. While we don't believe this pandemic is from God, we can see that the noise and busyness in our lives has been turned down more than we could have ever imagined. Creating a perfect opportunity for all of us to simply slow down and to open our ears and hearts to listen to the voice of God. When restrictions are lifted...the noise and busyness will rush back in again - whether we like it or not. With all of the negativity that has surrounded us in these past week's, let us also remember to be thankful for the many blessing that we take for granted every day.

Praise and give thanks to God.

Psalm 33:22

Let your steadfast love, O Lord, be upon us, even as we hope in you.

Prayers of Intercession

For all of us, the church; called to remember that we are God's chosen people. He is always with us and for us.

We pray.

For researchers in finding effective treatments and developing a vaccine for Covid 19.

We pray.

For all mothers; in gratitude for all they are to each of us. And for all who find Mother's Day difficult.

We pray.

For the sick; for God's comfort and healing. For those who take risks to attend to the needs of others and for all who are caring for the sick.

We pray.

For all who have died. For the families who could not be with their loved ones who have died and who are unable to celebrate a funeral at this time.

We pray.

Act of Spiritual Communion

*My Jesus, I believe that You are in the Blessed Sacrament.
I love You above all things, and I long for You in my soul.
Since I cannot now receive You sacramentally, come at least
spiritually into my heart. As though You have already
come, I embrace You and unite myself entirely to You;
never permit me to be separated from You.*

Amen

For fifty days, the people of God reflect on the meaning of Jesus' resurrection and of their sharing in it through baptism: dying to sin and living for God. For seven weeks we celebrate the presence of Jesus among us. We celebrate his ascension, and pray to him, seated in glory with the Father. As we prepare for Pentecost, we ask him to fill us with the grace and power of his Spirit.

The seven weeks from Easter to Pentecost are celebrated as one great Feast Day. St. Athanasius called them "the great Sunday." Christians sing the "Alleluia" during these days in their rejoicing. (GNLY, no.22)

The National Week for Life and the Family

The Church in Canada sets aside one week during the year to celebrate the gift of family, in which life is generated and nurtured. **This year's Week for Life and the Family will be observed from May 10 to May 17, with the theme, "Children: The Crowning Glory of Marriage"**. Today there are many crises affecting marriage and family. Some people have even begun to question whether it is good to bring children into the world. In the face of such doubts, we reaffirm that children are an authentic blessing from God. The gift of a child carries with it a responsibility: the task

of passing on the light of faith. In doing so, fathers and mothers, along with their children become "the light of the world" (Mt 5:14). Our society, now more than ever, needs to see the joy of Christian families, who radiate God's love for humanity and are a sign of his loving presence for the world. Canada Health Day - May 12, 2020

Canada Health Day is celebrated in health care facilities and community services across the country. This day reminds us that health and healing are essential aspects of our baptismal vocation. **We are called to take responsibility for our personal health: to prevent illness and to seek a healthy lifestyle.** Good health concerns the physical, emotional, social & spiritual health of our communities, respect for God's creatures & the nurturing of the whole earth.

Dear Padre,

Are there models I can use to help me better understand what a mother is to do or be?

A great model for mothers is the Blessed Virgin Mary. The *Catechism of the Catholic Church* uses the titles of Advocate, Helper, Benefactress, and Mediatrix when speaking of Mary (CCC 969). These titles are important in explaining Mary's special relationship to us, her children. We can also use these titles to show how mothers today can relate to their children and spouses.

Mary encourages us in our efforts to follow Christ. So it is the duty of all mothers to be a guiding presence to their children as they begin to pray and learn to follow the Lord.

As Advocate and Helper, Mary assists us by her own prayer and example. Mary prays for us, and we only have to read Scripture to understand Mary's example of listening to God. Today's mothers share the task of praying for their children and spouses. A mother's example of listening for God can teach her children the importance of seeking God's will.

As Benefactress, Mary is a patron and invites us to receive the graces that only her Son can bestow. In today's family, a mother offers a constant stream of love and encouragement to her spouse and children. She is the patron of love, a refuge from the harshness that life can bring.

As Mediatrix, Mary brings people together to be coworkers with Christ in the work of salvation. Also, a mother is a mediator, a coworker with Christ, helping her children and spouse on their journeys toward salvation. Her family is a little church where heaven and salvation are proclaimed. Happy Mother's Day!

A WORD FROM *Pope Francis*

Be my ambassador, [Mary] says to us, giving food to the hungry, drink to those who thirst, a refuge to those in need, clothe the naked and visit the sick. Come to the aid of your neighbor, forgive whoever has offended you, console the grieving, be patient with others, and above all beseech and pray to God.
