It is a great time to make up for any Sunday offerings that you may have missed over the year. Together as a parish community we can meet St. Bernard's financial commitments for the year. Donations can be made by cash, cheque, and preauthorized payments.

All donations for 2020 must be received prior to December 31st to be included in 2020 taxation receipts. Thank you for your continued generosity!!

Chain link gate that was connected to the fence on the Wesley St. side of the church has been removed.

Dimensions are 68 high by 92 wide.

We are looking to give this away.

If you or someone you know would like to have it all you have to do is come and get it. It is free.

Contact parish office for further info. @ 857-0425

**Many business and individuals are struggling at the time.
 Keep them close to our hearts and in our prayers.
 People have been asking about ways to help...**

Diaper Drive: The 13th annual diaper drive is being coordinated by the Family Resource Centre. You can call them at 384-7874 or 961-4872 to arrange a drop off or diapers or cash donations.

Karing Kitchen: They are providing a hot meal daily (have been serving around 120), however, with the pandemic guidelines these are take out. The special take out packaging is an added expense. Any donations marked for the Karing Kitchen received by St. Bernard's are forwarded to them. Reg Lebans is our St. Bernard's representative on the KK board.

ReConnect: Donations of Clothing, household items, personal hygiene items: The City of Moncton is allowing the use of the Tennis Club in Centennial Park to store donations. This is for a number of agencies including Reconnect. Donations will to be shared by each agency. ReConnect will pick items up or people can drop them off at the YMCA.

Items needed right now: hats, gloves, socks, new underwear, long johns, coats, boots, hand warmers, blankets, sleeping bags. They are also looking for household items for those clients who are able to find housing. Personal items like toothbrushes, toothpaste, disposable 'bic' type razor, nail clippers, shampoo/conditioner, soap, deodorant, feminine hygiene products, Q-tips, etc. are always needed. If someone shows up at one of the Churches looking for something, call Reconnect or direct the person to the YMCA. **There is not much affordable housing on the horizon.** There are roughly 130 - 150 people sleeping outside right now (which is an increase from last year). Harvest House is at full capacity and Nazareth House is at 50% capacity. They have 100 beds there but only 50 are in use due to some existing issues. Public showers are available at St. George's Anglican Church and the YMCA (not available whenever the zone is in the Orange Phase). CONTACT TREVOR GOODWIN AT YMCA RECONNECT 857-0606, ext.2285.

Happy New Year!

For new hope alive in our hearts,

& for all the potential the

New Year brings.

God's blessings to all.

World Day of Peace - January 1, 2020

The World Day of Peace was established by Pope Paul VI in 1968 who asked that "every year, this commemoration be repeated as a hope and as a promise, at the beginning of the calendar which measures and outlines the path of human life in time, that Peace with its just and beneficent equilibrium may dominate the development of events to come." Each year has a specific theme chosen by the Holy Father.
