## You Decide

**W**e normally take great pride in making our own decisions. When we did this as children, it was a sign that we were growing up; as adolescents, it was a proclamation of independence. Now as adults, when making decisions we demonstrate that we are self-directed. The problem doesn't seem to lie in decision-making itself but in the options given to us that require a decision. And there is the rub. Often these are options not of our choosing. This can make decision-making very difficult.

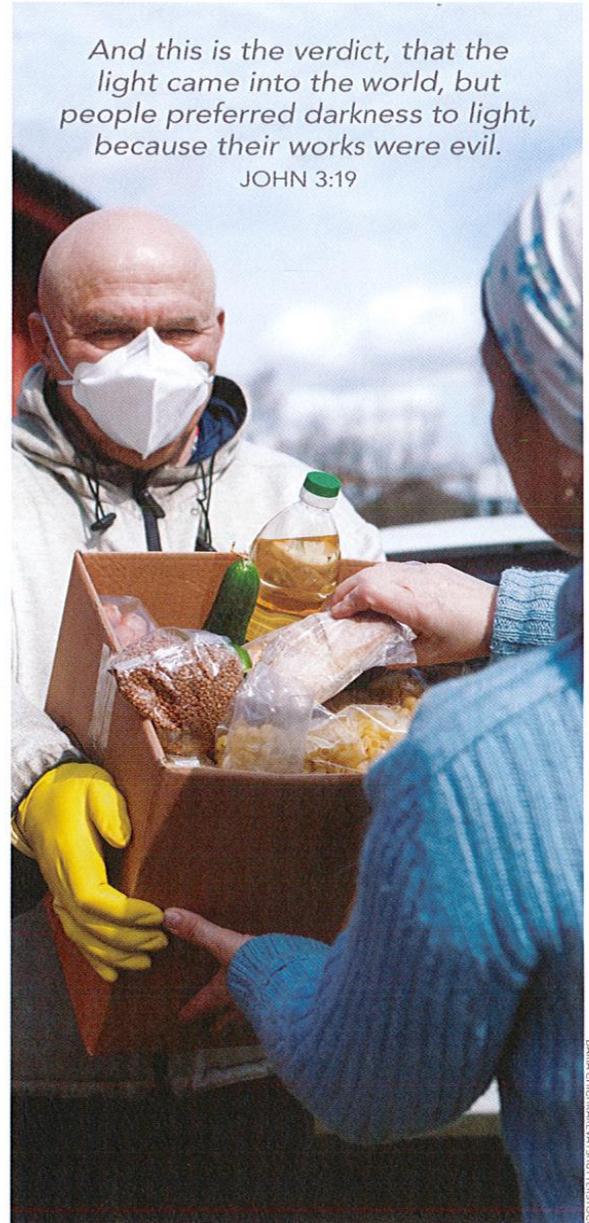

Today's Gospel is all about making decisions. Options are placed before us. We either choose Jesus and the extraordinary way of life that he has outlined for us, or we go along with the movements of society. This could include making money at any cost, denying hospitality to those who knock on our door, harboring an attitude of superiority over others. We either choose to live in the light with the insights that our faith provides, or we simply accept the values that bombard us each day through the media, namely: Me first. What's mine is mine. What's in it for me? Not in my back yard.

If we look carefully, we will realize that the way of life Jesus promotes is based on the dignity of each person, who is made in the image and likeness of God. Actions that dismiss, demean, damage, or destroy human life are contrary to the teaching, life, and example of Jesus. Accepting his way brings forth a new society called "the reign of God." Rejecting it will undermine the foundations of the society we have. Which will it be? You decide.

### *For Reflection*

- \* *How might you have compromised your religious values in order to get by in life?*
- \* *Might God be asking you to choose something new?*

*And this is the verdict, that the light came into the world, but people preferred darkness to light, because their works were evil.*

JOHN 3:19

*God so loved the world that he gave his only Son, that everyone who believes in him may have eternal life.*

**Development and Peace:** This Lent Let's Share Love In his recent encyclical, Fratelli Tutti, Pope Francis calls upon us to live the love that would make us "one great family, where all of us can feel at home"; a love that "exudes compassion and dignity". (Fratelli Tutti, 62) With the entire human family suffering from COVID-19, this year's Share Lent campaign invites us to share love and express solidarity with our sisters and brothers in the Global South, whose vulnerabilities are being exacerbated by the pandemic. Remembering the inherent dignity of all human beings, let us heed the Pope's reminder that "justice and solidarity, are not achieved once and for all; they have to be realized each day." (Fratelli Tutti, 11) In this time of pandemic, Development and Peace needs your support more than ever. **Next Sunday, March 21st is Solidarity Sunday.** Please support the work of Development and Peace among the less fortunate of our brothers and sisters.

Continuous mask use is required. Record keeping for participants is required to facilitate contact tracing.*" Our parishes will ensure that this criterion is followed.

**Laudato Si' – A Canadian Response:** *Laudato Si'* was an encyclical letter written by Pope Francis in 2015 to all the people of the world to bring to our attention to the fact that the earth "cries out to us because of the harm we have inflicted on her by our irresponsible use and abuse of the goods with which God has endowed her." (LS2) In 2017, the Episcopal Commission for Justice and Peace with the Canadian Conference of Catholic Bishops prepared *Living Out Laudato Si: A Commentary and Practical Resource for Canadian Catholics* in response to this encyclical. Should you be interested in reading this reflection it can be found at the following link: [https://www.cccb.ca/wp-content/uploads/2019/08/Living\\_Out\\_Laudato\\_Si\\_En.pdf](https://www.cccb.ca/wp-content/uploads/2019/08/Living_Out_Laudato_Si_En.pdf).

# Dear Padre,

**My friend's parish is having a St. Joseph's Day Altar. What is that?**

According to tradition, the altar to St. Joseph originated in the Middle Ages by Sicilians who invoked their patron saint during an extended drought and famine. When rain finally brought relief, the people expressed their gratitude in two ways: by displaying a table with the foods they harvested and by distributing their plenitude to those most in need.

Over time, the custom of an altar around the March 19 feast day of St. Joseph gained popularity and is now embraced by the faithful of any nationality wishing to share their good fortune with those who have less. The meatless feast usually includes baked items, beans, nuts, fruits, and seafood presented in ways that symbolize elements of the faith. Prayerful rituals and children portraying the Holy Family add to the celebration and heritage.

Whether the altar is modest or elaborate, at home or in church, it's a labor of love meant to strengthen the bonds of family and friends in its preparation and to strengthen one's faith and charity in its execution.

## A WORD FROM *Pope Francis*

*Saint Joseph appears as a strong and courageous man, a working man, yet in his heart we see great tenderness, which is not the virtue of the weak but rather a sign of strength of spirit and a capacity for concern, for compassion, for genuine openness to others, for love. We must not be afraid of goodness, of tenderness!*

SOLEMNITY OF ST. JOSEPH, MARCH 19, 2013
