

*And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was.*

MATTHEW 2:9

ANTON JANOVY / SHUTTERSTOCK

## Your Light has Come!

**M**any traditional religions have in some way ascribed divinity to light—either they claim that light emanates from a god or that light itself is divine. This is probably because light is a primal necessity, essential for life. We find such thinking in today's readings.

“Your light has come” (Isaiah 60:1) says today's Old Testament reading. This is Isaiah's glorious message for the people of Jerusalem. The city had been destroyed; the people scattered; the future looked bleak. This message must have filled the people with hope. Not only does light bring them hope, but the light actually streams from their God. It is the Lord who shines, bestowing his radiance upon them. This light is filled with promise.

The story of the Magi is not meant primarily for children who delight in moving figurines of the three kings a bit closer to the stable every day. This is an adult story about inner darkness and enlightenment. The strangers, ignorant of ancient Israel's traditions, were able to read the signs of the times. Because of their openness, they found the Light of the World. The learned men of Jerusalem were well-schooled in the ancient promises, for they knew where to send the strangers. However, they felt threatened by these signs. They closed their minds and hearts to any omens that might imperil their positions of privilege. They had a chance to benefit from this new light, but they turned their backs on it.

***For a Synodal Church: Communion, Participation, and Mission***

What is this latest Synod all about, you ask? In the latest Synod, opened by Pope Francis on October 10, 2021, the Pope has asked the Church to reflect on how we journey together as Church, listen and respond to the working of the Holy Spirit in the Church and in the world, and how decisions are reached at all levels: who is involved, who is excluded and how can our processes be improved. In order to be a Church that walks works and worships together, it is important that we work together for the greatest amount of participation and respect. Stay tuned as we next speak about how this Synod will work.

At this special time, we come together once a year as a community to honor and respect all those who have died in our parish community within the last year. A lot of care and work goes into this Mass. We would like to extend many thanks to our Pastoral Team and to all who participated in this Mass in anyway.

There is so much generosity here at St. Bernard's and each and every act will be blessed and rewarded by the Lord. **World Day of Peace  
January 1, 2022**

The World Day of Peace was established by Pope Paul VI in 1968 who asked that "every year, this commemoration be repeated as a hope and as a promise, at the beginning of the calendar which measures and outlines the path of human life in time, that Peace with its just and beneficent equilibrium may dominate the development of events to come." Each year has a specific theme chosen by the Holy Father.

**Gluten intolerance** has become more prevalent in recent years. Prompted by faithful Catholics wanting to receive Communion, we have ordered a supply of low gluten hosts (yields less than .01% gluten content per bread/wafer). We already have a few parishioners that have sourced their own supply & place them in their own personal pyx for consecration at mass. If you are diagnosed with gluten intolerance, you must purchase your personal pyx and low gluten hosts are **available** at our Parish office during office hours.

**The Reconnect Street Intervention Program provides short and long term assistance through outreach to youth and adults who are homeless or at risk of being homeless, in an effort to increase their knowledge about available resources.**

The Reconnect Program comes under the umbrella of the YMCA, but is supported through many community partners, including the church communities. Monthly meetings take place between the Reconnect team and local churches to see what needs the team have responded to in the previous month, statistics about numbers served, and type of help requested. The team is very aware of accessible resources in the community to assist clients in times of emergency with a hope to move on with a more sustainable life for the future. Like the soup kitchens, the tragedy is that those needing this service have increased over the years.

**Since Reconnect began, St. Bernard's has been a supporter in a variety of ways.**

### **No Scent Policy**

Out of respect for those with sensitivities, please avoid wearing scented products in the Church, Parish Office & the Church Hall. Thank you.

We are happy to have you join us! Are you new to the parish or have you been part of our community for awhile but have just never registered? There are registration forms available at the entrances to the church, at your parish office, on our web site ([www.stbernardschurch.ca](http://www.stbernardschurch.ca)) or just give us a call and we'll mail you one. Fill in the information, return the

form to the office and you will be formally registered. This will help us to better serve your individual needs!

**Lions recycle for Sight - Changing Lives, One Pair at a Time:**

Used eyeglasses are recycled, cleaned, sorted by prescription strength, then packaged and distributed to people in need in developing countries where they will have the greatest impact. A Lions Recycle for Sight box will be at the main entrance of the church for you to drop off unwanted eyeglasses. Thank you.

# Dear Padre,

## How is Twelfth Night related to Christmas?

**T**welfth Night is another name for the Epiphany, which traditionally occurred on January 6, the twelfth day after Christmas. Since the 1980s, United States Catholics have celebrated the Epiphany on the first Sunday after January 1, which is why we're celebrating it today instead of Thursday.

Liturgical celebrations are distinguished as solemnities, feasts, and memorials according to their importance. The two greatest solemnities, Easter and Christmas, continue for an octave (eight days). Since the octave of Christmas runs from December 25 through January 1 (the solemnity of Mary, the Holy Mother of God), it's not affected by the transfer of the Epiphany celebration.

Christmas is the great gift-giving day in the United States. In other cultures—for example, the Latino community—the anticipation and excitement of gift-giving is saved for Epiphany, the day the Magi brought their gifts to Jesus.

We often complain about how frenzied Christmas is—how much shopping, wrapping, and baking there is to do. But Christmas should be a time of worship and acknowledging the gift God gave us by sending his Son.

Epiphany, on the other hand, is made for celebration, gift-giving, going all out. Perhaps someday we can return to the traditions of Epiphany and restore Christmas as a day of rejoicing and worship.

### A WORD FROM *Pope Francis*

*[The Lord] is our light: a light that does not dazzle but accompanies and bestows a unique joy. This light is for everyone, and it calls each one of us....At the beginning of each day we can welcome this invitation: arise, shine, and follow today—among the many shooting stars in the world—the bright star of Jesus!*
